

Segovia, March 16th 2020

Dear candidates,

This is an official statement to announce the postponement of the 2020 Student Government elections.

As we talked during our meeting last week, the new date for the elections will be announced later, but we can think of the last two weeks of April, before the start of the final exams. In accordance with this decision, the electoral campaign and debates will also be delayed. Before the Easter break we will send you the new electoral calendar.

I gather here the suggestion of one of the candidates, [REDACTED] so that the current SG and the presidential candidates issue a joint statement on the matter, expressing their opinions that students need to focus on their online studies and dealing with the new challenges presented by the COVID-19 pandemic.

We include in copy of this communication the members of the different teams, the president of the current Student Government, Matteo De Palma, Clint Goodrich, member of the Campus Life department and responsible for the organization of the debates, Juan Barrio, and Vice-Rector Antonio de Castro.

Thank you very much for your commitment and engagement.

With my best wishes,

Signed: Dr Miguel Larrañaga, Vice-Rector
